

HF-OCL2M-LC

opticalCON DUO LITE to Dual LC Multimode Fiber Optic Tactical Patch Cable

Features:

- • 2-Channel Multimode Tactical Patch Cable
- • Dust and Waterproof According to IP65 in Mated Condition
- • Bend Optimized OM3 Fiber
- • Rugged Push-Pull Locking Mechanism with Rubber Caps
- • Lifetime 2500 Mating Cycles
- • Easy to Clean Shutterless Connectors
- • Rugged Cable Retention Utilizing Aramid Yarn Strength member
- • Extremely Flexible and Crush Resistant
- • Lightweight Plastic Housing Compatible with Standard opticalCON DUO NO2-4FDW-A / QUAD NO4FDW-A

Specifications:

- Neutrik opticalCON DUO LITE NO2MX Connectors
 - MULTIMODE - Senko 932-251-5C3 - 127Mm Duplex LC Connector
 - Cable Retention: > 250 N
 - Insertion Force: < 35 N
 - Withdrawal Force: < 35 N
 - Insertion Loss: < 0.45 dB / connection
 - Optical Connector: 1.25 mm ceramic ferrule
 - Minimal Bending Radius: 3 cm DUO / 3.5mm QUAD
 - Cladding Diameter: 125 µm PUR
 - Number of Fibers: 2
 - Cable Retention: Aramid Yarn
-
