

Product information – OpDAT slide and slide R

Product specification

- > Fiber optic patch panels for 19-inch systems, 1 rack unit (RU)
- > Service-friendly mounting by an extendible drawer
- > Light construction with steel sheet front plate
- > the drawer is fixed with plastic snap fasteners as standard. If fastening is necessary for mechanically demanding applications, the OpDAT slide R version with knurled screws is recommended.
- > Front plates available in gray (RAL 7035) or black (RAL 9005)
- > All front plates are available with 12 or 24 adapter cutouts. Unused cutouts in the front plate are covered by blank connectors.
- > Available with the following adapters: LC, SC, E2000 and ST in duplex version
- > Pigtails are available with fiber types OM3, OM4, OM5 and OS2. All pigtails are inspected and cleaned before inserted into the adapters according to IEC 61300-3-35.

- > All standard patch panels are available with holders for crimp splice or shrink splice protections
- > Now available with connectors of quality class **Grade B**: In this case, particularly low insertion loss values are achieved by selecting and processing the connector ferrules
- > OpDAT slide panels allow also recessed mounting
- > The rear panel has 10 options for cable insertion:
 - 4x Ø 21 mm (for M20 or PG13,5)
 - $2x \varnothing 23 \text{ mm}$ (for M20 or PG16)
 - 2x Ø 29 mm (for M25 or PG21)
- 2x U-shaped cutouts for VIKs

Equipment variants

OpDAT slide patch panels are available in 2 variants.

PRODUCT NAME

VARIANT SPLICE

VARIANT VIK

Properties

- > Equipped with pigtails and adapters
- > Pigtails inserted to splice trays with splice holders, ready to splice
- > Pigtail connectors are cleaned and inserted into adapters, assignment according to color code of IEC 60304
- > Equipped with adapters
- > Prepared for toolless fixation of pre-terminated installation cables (OpDAT VIK) in U-shaped cut-

Accessoires

- > one cable gland M20
- > more cable glands are available as accessory
- > two mounting plates
- > more mounting plates are available as accessory
