

# Product Information – OpDAT REG K

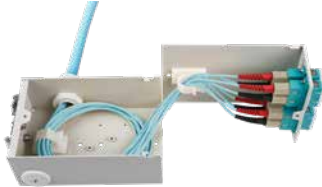

## Properties

- > REG K housing for up to 8 plug connections or 12 splice connections
- > very compact splice distributor for DIN rail TH35
- > available in three variants:
  - Variant splice: for splicing to installation cable
  - Variant VIK: for installation of pre-terminated installation cables (VIK)
  - Variant Connect: for splicing of 2 cables (without connectors)
- > several installation variants are possible due to various mounting options for the DIN rail holder on the housing
- > cable entry from above or below with M20 tension relief (included in scope of delivery)
- > Front with SC duplex, LC quad or ST duplex couplings. More variants on request
- > Splice tray for up to 12 splices, equipped with crimp or shrink splice holders
- > Housing (W x H x D): 50 x 85 x 130 mm

## Areas of use

- > Industrial plants
- > switch cabinets
